 - A Format for documentation currently required by Export Credit Agencies (ECAs).
 - Instructions for each Format, detailing and explaining all items that have to be completed.
 - An Example for each Format, presented in a didactic manner to facilitate filling out the corresponding documentation.

In the event any of the requirements set forth in the “Instructions of Petróleos Mexicanos and Subsidiary Entities for the Delivery of Documentation Required from the Financing Sources for PPI's Suppliers” is modified, PPI or the Purchaser (Subsidiary Entity and/or Petróleos Mexicanos) shall inform Suppliers in due course.

e-Master Invoice

General Information

The e-Master Invoice is an Electronic Document accepted by the Ex-Im Bank of the United States of America and its purpose is that U.S. Exporters can detail substantive information related to one or more Individual Commercial Invoices for the same Pemex Contract, in order to expedite the Ex-Im Bank documentation preparation and delivery process.

It's important to mention that all Individual Commercial Invoices shall be available when requested by Ex-Im Bank.

The e-Master Invoice shall be submitted in accordance with the attached format, indicating the number(s) of the Individual Commercial Invoice(s), a detailed description of the related goods and services, the NAICS number as well as the paid amount in dollars of the United States of America before taxes. Moreover, and as applicable, the e-Master Invoice shall include the transportation date of the goods, the initial and final dates of the performance of the services, the point of delivery for the goods, the bill of lading number, the name of the transportation company; if by sea, the name of the vessel, the name of the country where the vessel is flagged and the official registration number of the vessel.

Furthermore, the e-Master Invoice shall necessarily be signed by an authorized person of the Supplier and shall include his name, title, telephone number, electronic mail address and web page of the company.

The e-Master Invoice shall be delivered by electronic file in PDF format and the data contained in such e-Master Invoice by electronic file in Excel format.

Ex-Im Bank, by allowing Suppliers to deliver an e-Master Invoice, simplifies in a great degree the administrative tasks for the integration of the Documentation.

Documentation for Goods and/or Services from the United States of America

Exporter's Certificate

General Information

It is a form established by the Ex-Im Bank of the United States of America through which Exporters of such country certify the percentage of U.S. content of the goods and/or services they are supplying, which will be used in order to comply with the purpose of a given Contract(s).

The Supplier shall deliver an original Exporter's Certificate, in accordance with the attached form, for each line of credit arranged by Petróleos Mexicanos with the Ex-Im Bank. The Supplier must deliver another original Exporter's Certificate, if the Ex-Im Bank so requires. Additionally, such Certificate shall indicate the current guarantee number assigned by the Ex-Im Bank, as follows:

Project: Pemex
Ex-Im Bank Guarantee Number: AP088970XX- Mexico

Furthermore, an electronic file in Excel format shall be delivered containing the data of the Exporter's Certificate.

The Ex-Im Bank requires an Amended Exporter's Certificate if there has been a "substantial change" in the relevant Contract(s). "Substantial change" shall mean:

- a) If the U.S. content percentage has decreased by more than 5% (in relation to the U.S. content reported in the initial Exporter's Certificate);
- b) If the foreign content represents more than 20% (i.e. the new U.S. content percentage is less than 80%);
- c) Any other change the US-Exim Bank deems relevant.

2. **Invoices and Shipment.** We have provided (or will provide) copies of (i) invoices describing the Goods and Services and (ii) signed, clean, onboard bills of lading evidencing that the Goods included in the Net Contract Price have been shipped from the U.S. to the Purchaser's country. For Services, progress payments for Goods prior to shipment, and/or Local Costs, the value of the work performed at the time the invoices therefor are submitted for payment shall equal or exceed the amount so invoiced (or we have obtained Ex-Im Bank's prior consent to an alternative arrangement).

3. **Suspension and Debarment.** We and each of our Principals individually, have not within the past 3 years been a) debarred, suspended, declared ineligible from participating in, or voluntarily excluded from participation in, a Covered Transaction, b) formally proposed for debarment, with a final determination still pending, c) indicted, convicted or had a civil judgment rendered against us for any of the offenses listed in the Regulations, d) delinquent on any substantial debts owed to the U.S. Government or its agencies or instrumentalities as of the date of execution of this certification; or we have received a written statement of exception from Ex-Im Bank attached to this certification, permitting participation in this Covered Transaction despite an inability to make certifications a) through d) in this paragraph.

We further certify that we have not and will not knowingly enter into any agreements in connection with the Goods and Services with any individual or entity that has been debarred, suspended, declared ineligible from participating in, or voluntarily excluded from participation in a Covered Transaction. In addition, we are not listed on any of the publicly available debarment lists of the following international financial institutions: World Bank Group, African Development Bank, Asian Development Bank, European Bank for Reconstruction and Development and the Inter-American Development Bank.

4. **Other Payments; Legal Compliance.** Without Ex-Im Bank's written consent, a copy of which is attached, we have not and will not agree to, offer to, cause to, or arrange for, directly or indirectly, any payment, discount, allowance, rebate, commission, fee or other payment in connection with the sales of the Goods and Services under (or obtaining) the Supply Contract/Purchase Order(s) or Ex-Im Bank Credit/Guarantee/Insurance, except for a) payment of manufacturing costs or for the purchase of the Goods, b) the regular remuneration of our regular full-time directors, officers and employees; c) regular commissions or fees, if any, to our regular sales agent, broker or representative and readily identifiable on our books and records as to amount, purpose and recipient; d) any discounts, allowances, or rebates to the Purchaser that are disclosed in our invoices; or e) any letter of credit or other fees paid to commercial banks or any payments made to Ex-Im Bank in connection with the Ex-Im Bank Credit/Guarantee/Insurance.

In addition, neither we nor anyone acting on our behalf, such as agents, have engaged, or will engage, in any activity in connection with this transaction that is a violation of the Foreign Corrupt Practices Act of 1977, 15 U.S.C. 78dd-1, et seq. (which provides for civil and criminal penalties against companies and individuals who directly or indirectly make or facilitate corrupt payments to foreign officials to obtain or keep business).

Further, neither we nor anyone acting on our behalf in connection with this transaction are currently under charge or have been, within the past 5 years, convicted in any court or been subject to national administrative measures of any country for bribery of foreign public officials.

PART C: CHANGES AND EX-IM BANK RELIANCE

6. Changes to Certifications. With respect to Part A, we will promptly complete and submit an Amended Exporter's Certificate if there has been a "material change" in the U.S. Content Percentage (together with a copy of the completed "Disbursement Percentage Calculator" found at <http://www.exim.gov/tools/disbursement-calculator.cfm>) prior to any further presentation of invoices for payment. A "material change" in the U.S. Content Percentage occurs if (a) the U.S. Content Percentage has decreased by more than 5% (as compared to the U.S. Content Percentage reported in the initial Exporter's Certificate) and (b) aggregate foreign content is over 20% (i.e., the new U.S. Content Percentage is less than 80%).

With respect to Parts B or C, if any of the certifications made therein become untrue, we will promptly submit an amended Exporter's Certificate, noting the changes and with any required attachments, prior to any further presentation of invoices for payment.

7. Ex-Im Bank Reliance. With knowledge that Ex-Im Bank will rely on the certifications and representations made in this Exporter's Certificate, we agree we are liable for any damages suffered by Ex-Im Bank's reliance. We understand that these certifications are subject to the penalties for fraud provided in Article 18 U.S.C., Section 1001. We agree that presentation of invoices for payment under the Ex-Im Bank Credit/Guarantee/Insurance is a confirmation by us of the information and certifications made herein. By his signature, the person signing this Exporter's Certificate on behalf of the Exporter represents that he is fully authorized to do so. 3. **Suspension and Debarment.** We and each of our Principals individually, have not within the past 3 years been a) debarred, suspended, declared ineligible from participating in, or voluntarily excluded from participation in, a Covered Transaction, b) formally proposed for debarment, with a final determination still pending, c) indicted, convicted or had a civil judgment rendered against us for any of the offenses listed in the Regulations, d) delinquent on any substantial debts owed to the U.S. Government or its agencies or instrumentalities as of the date of execution of this certification; or we have received a written statement of exception from Ex-Im Bank attached to this certification, permitting participation in this Covered Transaction despite an inability to make certifications a) through d) in this paragraph.

We further certify that we have not and will not knowingly enter into any agreements in connection with the Goods and Services with any individual or entity that has been debarred, suspended, declared ineligible from participating in, or voluntarily excluded from participation in a Covered Transaction.
